

EAST FERRIS & CALLANDER YOUTH SOCCER

We are very excited to be able to offer the Youth Soccer League brought to you by the Municipality of East Ferris, and the Municipality of Callander again this year for another season!

For those who are not familiar, this is a non-competitive soccer league where we encourage sportsmanship and cooperation through sport. Children in this league will have an opportunity to learn about soccer while getting exercise, having fun, and making friends.

Welcome to the beginning of our 2023 Soccer Season!

Keep an eye open for updates on our Municipal websites and our Facebook pages:

Player Requests

On the Registration Forms, there is a section allowing each player to request one other player (including siblings) to play on the same team. There will only be one request per child, and it will only be accommodated if both players are in the same age division.

Requests for specific coaches or playing nights cannot be accommodated.

Team Selection

Team selection is done by the East Ferris Recreation Department.

We try our very best to accommodate player and parent requests. We hope to have the

Divisions divided the same as in previous years. This depends on registration! If it remains the same it will look like this:

Division 1: Born 2019 – 2018

Division 2: Born 2017 – 2015

Division 3: Born 2014 – 2011 (11 - 12 year old, will be based on registration numbers)

Selection will occur during the month of May. The team lists will then go to the team coaches. All players should be contacted by their team coach by June 16th. If your child has not been contacted, please contact the East Ferris Recreation Department at 705-752-3566 or eastferrissoccer@gmail.com

Scheduling and Start-Up

The soccer league is scheduled to be from June 19th to August 17th, 2023

Division 2 will play Tuesdays and/or Thursdays at 6:00 p.m., at alternating fields. Tuesday nights will be played at Vrebosch Park in East Ferris and Thursday nights will be played at Yarlasky Park in Callander. Playing 1-2 games per week.
